4. Locate the student for whom you will enter scores. Click on **Total Score** and enter the student's scores. Save.

To score item level data online:

1. Download and print student copies only.
2. Scroll back up to the Benchmark window. Click on "**Enter Test Scores**" below the appropriate icon (Fall, Winter, Spring).
3. Click on "**Item Level Data**"

4. Click on "**Enter Answers**" under the appropriate subtest. You will find an option (such as "Passage Text") to see the student copy. If you are administering a fluency item, you may use the stopwatch as you enter fluency data online.
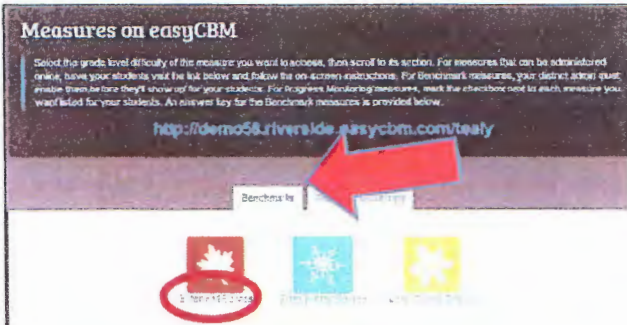

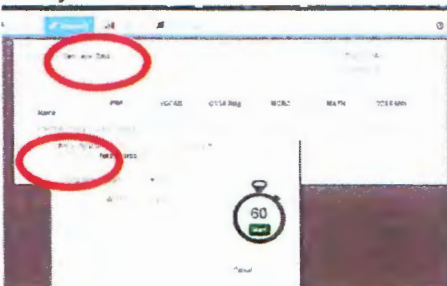

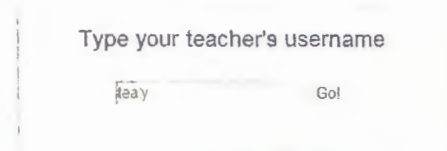

GROUP ONLINE ADMINISTRATION: (Vocabulary, Comprehension)

Student Log In:

1. Open *easyCBM* by navigating the unique URL provided by the district.
   http://marion.wv.easycbm.com/

   easyCBM

2. Tell students to click **Students Click Here**. Students are prompted to type their teacher's username and click Go!

Teachers ensure that students select their own **name** and the correct **test**. Have students linger on this page in order to allow the teacher to verify that the correct test is selected.

3. Tell students to click **Take Test**.

   Teachers can log in as a student and preview the assessment. Click on "Students Click Here". Type your user name, then select a group, then select "Demo Student" from the list. The password for this account is "demo". If you are previewing for students, they will see actual test items, so do not linger.

For More Information: Go to "Resources" and click on "View Training Website"
