

McGraw-Hill – Health

www.connected.mcgraw-hill.com

ConnectED Teacher Registration

You will need your Teacher Master Code and Student Master Code

1. Log into www.connected.mcgraw-hill.com
2. At the bottom of the page click on Create a New Account
3. On this page click on Register under Teacher
4. Complete the New Teacher Registration. You will use your Teacher Master Code. Make sure you write down your Challenge Question and Answer. You will never see this again. Click Next.
5. Enter Your School Zip Code.
6. Highlight your school and click Register.
7. Registration Complete page. This gives you your Username and Password. You will never see this page again so print or write it down and put in a safe place. Click Finish.
8. Scroll down the next page and Accept.
9. You now have your Home Page with your name at the top. You have no materials on your page. Click on Redeem Master Code.
10. Enter your Teacher Master Code and click Next.
11. Now you should see your book. Click Add Content.
12. On this next page if the materials are correct Click OK.
13. Now you should see your Homepage with the teacher's edition. In order to get the student edition, click on Redeem Master Code.
14. Enter the Student Master Code and click Next
15. Now you should see the student materials.
16. At the bottom of the page click on the End Date drop down box and select July 31.
17. Click on Create Redemption Code
18. Now you should see a page with your Redemption Code. This code is unique to you. Write it down. You will be able to see this on your Homepage later. Click OK. **The Redemption Code is the only code you give students. Do not give them Master Codes.**
19. Now you should see your Homepage with both the Teacher and Student Material.
20. Below the Student Edition click on Manage Content.
21. On this page you should see your Redemption Code. Click on the printer icon.
22. Now you should see a letter that you can give student's that tells them how to register.
