The image shows two screenshots of the Pearson SuccessNet website. The top screenshot is the homepage, featuring the Pearson SuccessNet logo and tagline "Your Personalized Path to Classroom Success". It includes a "Returning User" section with "Log in" and "Check Your Settings" buttons, and a "New Users" section with a "Register Here" button. A "Get Support" section contains "Technical Support" and "Training Materials" buttons. Below this is a large graphic of a laptop with yellow circuit lines emanating from it. The bottom screenshot shows the user interface after logging in, displaying a navigation menu with "Home", "School Data", "Tools", "Reports", and "Dashboard". The main content area is divided into several sections: "School Data" (with sub-sections like "Classroom Assessment", "Success Tracker", "Resources", and "TEXT"), "Classroom Assessment" (with "Track Student Performance" and "Success Tracker"), and "Resources" (with links to various Pearson websites).
