SUBJECT: Tax Sheltered Annuities (403B)

Recent Internal Revenue Service regulations require that all employees of Marion County Schools be notified that they are eligible to voluntarily contribute through payroll deductions into tax sheltered annuities. We currently have approximately fourteen companies that these (403B) deductions are made. If you wish to contribute to any of these annuity companies, or want more information, please contact us. You may wish to contact your financial advisor for more information on tax sheltered annuities.

The Marion County Board of Education does not advise or recommend any contributions to any tax sheltered annuities.
