

Marion County Schools Order of Making-up Lost Instructional Time for Calendar A

Days will be made up on the proposed calendars in ascending order (top to bottom of column) as listed. The first five full weather days missed and professional learning days will be made up with equivalent instructional time (30 added minutes per day). These do not show on the calendar because we don't know when they will occur in advance. Faculty Senate days, Early Dismissals and Delays will be made up with remaining equivalent instructional time.
