MEMORANDUM OF UNDERSTANDING

The mission of Elliot P. Schlang DDS, Inc. (dba “Smile West Virginia”) is to improve the quality of children’s lives by providing preventive, and where appropriate, restorative dental services to children often left without care. With parental/guardian permission, Smile West Virginia can provide a dental exam, cleaning, fluoride treatments, x-rays and sealants, where applicable. In addition, restorative services such as simple fillings, pulpotomies (a root canal on baby teeth), extractions of baby teeth and pulp caps are offered. We generously provide donated care to children-in-need which includes a cleaning, screening and fluoride treatment. No child is ever turned away for lack of resources.

The purpose of this memorandum is to establish an understanding between:

Smile West Virginia

And

Marion County Schools

Smile West Virginia agrees:

- At a date to be mutually agreed upon, to provide preventive and restorative dental services, including: exams, cleanings, fluoride treatments (including Silver Diamine Fluoride), as well as x-rays and sealants where applicable, in addition to simple fillings, pulpotomies on baby teeth, baby teeth extractions and pulp caps. Such care shall be offered to the children with parental/guardian consent.

- All children ages 18 months -18 years are eligible.

- Each site will be served by our licensed West Virginia dentist(s) and/or hygienist(s) and/or dental assistants.

- There is no charge to the schools or District.

- When available, Medicaid covers 100% of treatment. Most insurances are accepted. For those without insurance, self-pay options are available.

- When children-in-need without insurance, Public Aid or the ability to self-pay receive grant funding, a dental screening, cleaning and fluoride treatment (excluding Silver Diamine Fluoride) will be provided at no expense once per school year, with parental signature and completion of our grant form confirming eligibility.

- Restorative dental care, including services listed above, is available only to those children with Medicaid, CHIP or applicable private insurance coverage.
• In the end, no child is turned away based on his/her ability to pay.

• All children will be given a “report card” for their parents’ review. Copies of x-rays are available to the family and dental offices.

District agrees to:

• Distribute Permission Forms to students in the fall and spring semesters of each school year and at other times upon request, as well as to collect the Permission Forms from the students in advance of the dental visit, and to send the completed Permission Forms to Smile West Virginia as far in advance of the dental visit as reasonably possible.

• Communicate directly with parents via electronic medium (i.e. text, email) and/or robo-calls, as well as posting to the school/district website and social media pages, to make them aware that the in-school dentist is coming to school and provide parents with the online sign-up option, available at www.myschooldentist.com

• Provide a space that is a minimum of 14 feet x 14 feet including 2 standard power outlets and access to water, suitable for the staff of Smile West Virginia to set up its “dental office”.

• Provide a minimum of 20 children per site to be treated. If minimum is not reached, the visit may be rescheduled or cancelled.

This agreement is non-financial in nature. It shall run for a period of one year 2019-2020 School Year. If necessary to fulfill its responsibilities under this agreement, Smile West Virginia may assign this agreement to another dental practice.
