

Connecting the Chromebook to the WVKidsConnect WiFi for the first time

- Drive to the nearest Marion County Elementary or Middle School parking lot.
- Open your Chromebook to power it on & try to connect while in the parking lot.
- Click on the Wi-Fi button in the right-hand bottom of the screen:
 - You should see a list of available Wi-Fi connections.
 - Choose the Wi-Fi “WVKidsConnect” from the list.
 - You should see a Chrome OS <now message appear. If you **DO NOT** click this box, you will **NOT** be able to connect to the internet.

- Click this white Chrome OS message for the “Welcome to WVKidsConnect” page to appear & check the box beside “By checking this box I agree”. Click “Continue to the Internet”.
