

## Marion County Schools

### Order of Making-up Lost Instructional Time for 2018-2019 School Calendar

Days will be made up on the proposed calendars in ascending order (top to bottom of column) as listed. The Non-Traditional Instruction Days will be made up with equivalent instructional time (30 added minutes per day). These do not show on the calendar because we don't know when they will occur in advance. Faculty Senate days, Early Dismissals and Delays will be made up with remaining equivalent instructional time.
